LABEL PLACEMENT

1. Apply labels by following numbers on label sheet and this illustration.

ASSEMBLY

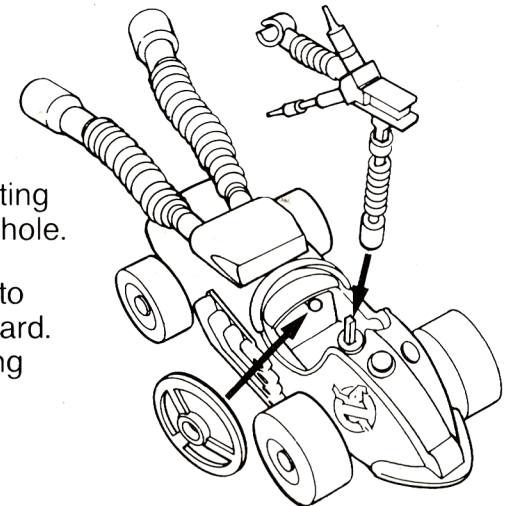

2. Attach turbo charger to body by inserting peg into hole and snapping into position.

3. Insert windshield pegs into holes in body.

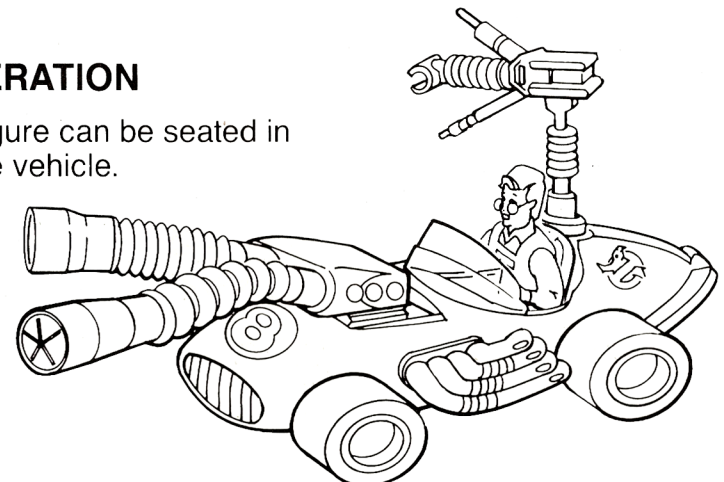

4. Attach antenna by inserting square peg into square hole.

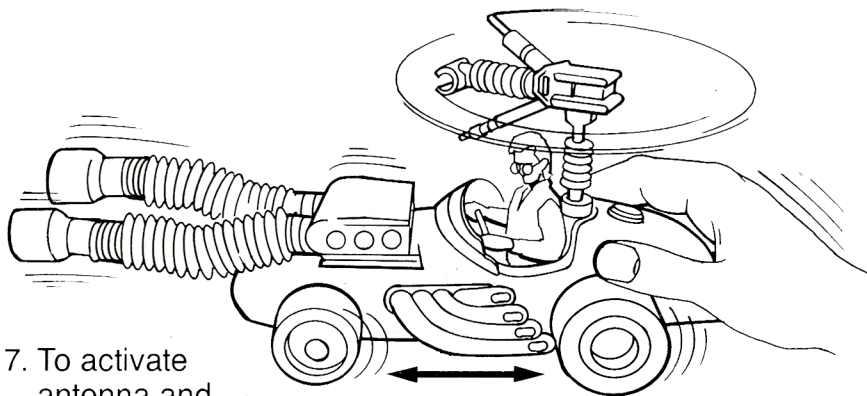

5. Snap steering wheel onto peg in center of dashboard. The detail on the steering wheel should be facing the seat.

OPERATION

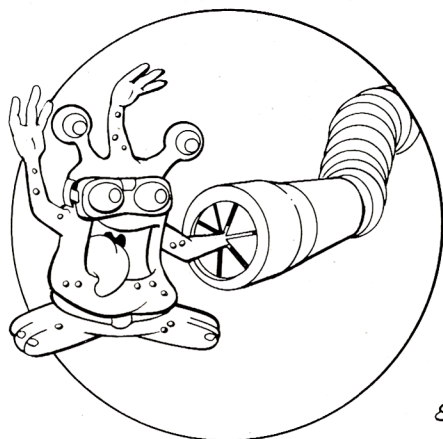

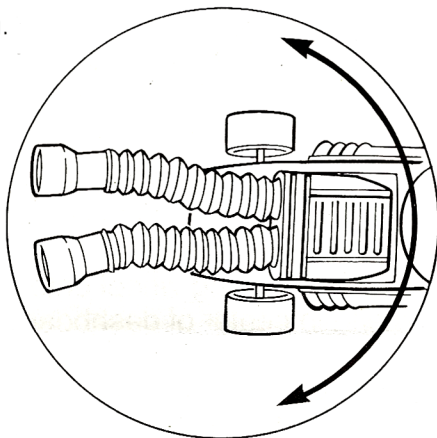

6. Figure can be seated in the vehicle.

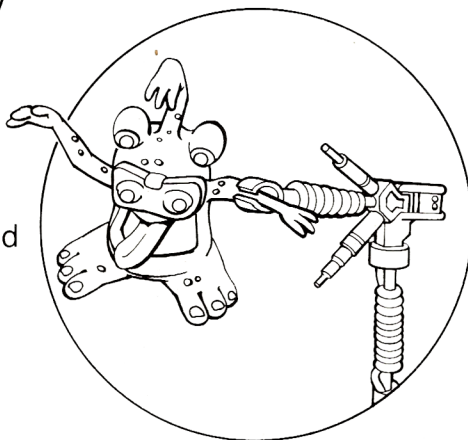

7. To activate antenna and turbo charger push vehicle across floor in either direction.

8. Turbo charger can be turned to either side. Tubes are flexible and can be positioned in many different ways.

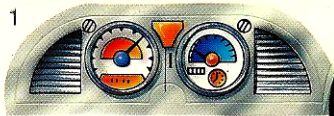

9. To "capture" ghost, insert arms of ghost into ends of either turbo charger tube.

10. Ghost can also be attached to slot on antenna.
